If a horse's name is changed after it was nominated, the nominator must advise the OSDF administrator. A horse nominated at one gait may move to the other gait by advising the OSDF, provided the horse has not previously raced in an Ohio Sires Stakes leg and the appropriate money will be shifted to the new gait leg if an eligible horse changes gait.

All divisions shall be raced on the advertised date unless postponed pursuant to condition #10.

7. Starters If less than five horses enter any leg, the race shall be cancelled, and trainers so notified. Each horse entered shall be entitled to an equal share of all money paid in nominating fees credited to that leg. 11. Rules, Rulings & OSRC Rules All Ohio Sires Stakes must be scheduled as betting races unless approved by the OSDF Commission. Unless otherwise specifically stated in the conditions, Ohio State Racing Commission Rules will govern. The Ohio State Racing Commission reserves the sole and exclusive right to modify, alter, amend and/or cancel any event in its entirety.

2022 Ohio Sires Stakes Championships & Consolations

Starters in the 2-year-old and 3-year-old Championships and Consolations shall be limited to eight on a half-mile track and to nine on a five-eighths mile track. Starters in either race need to meet requirements contained in Condition four (4). For the Consolation and Championship, all nominations and entry fees are added to the purse and the purse distributions for each race shall follow Condition eight (8). For non-purse earning finishers in the Championship Finals (6th through 9th on a 5/8ths or 6th through 8th on a half-mile) if a horse starts and finishes the race, they will receive a \$2,000 starter payment.

All horses receiving points in the legs may enter a Championship, but only the eight horses for a Championship on a half-mile track or nine horses for a Championship on a five-eighths mile track with the highest point totals of those entered will be selected as starters. Horses must start in at least one OSS leg to be eligible to start in the Championship or Consolation.

Points will be awarded in each of the first four legs of the series as follows: Win-51, Second-26, Third-13, Fourth-9, Fifth-6 and all remaining starters-1. In the event of a dead-heat, horses shall receive the standard distribution of points for their particular order of finish. For the purposes of awarding points to qualify for the Championship or Consolation, each division shall be considered a race.

When the Championship is raced on a half-mile track, the eight horses with the highest point totals are not eligible to enter the Consolation. When the Championship is raced on a five-eighths mile track, the nine horses with the highest point totals are not eligible to enter the Consolation. If a horse is eligible by points and drawn in to race in the Championship, the horse shall race only in the Championship. A horse scratched from the Championship is not eligible to enter the Consolation.

Excluding ineligible horses, all other horses receiving points in the legs may enter a Consolation, but only the eight horses for a Consolation on a half-mile track or nine horses for a Consolation on a five-eighths mile track with the highest point totals of those entered will be selected as starters.

Entry is not automatic. A horse must enter the Championship or Consolation to be named a starter. If six (6) horses are not entered, the Consolation shall be cancelled.

Points shall be awarded according to any placing of the judges and shall be used to determine which horses shall qualify for a Championship or Consolation. Any pending appeal of a ruling issued by the judges shall not alter the placing determined by the judges. If two or more horses tied in points declare in for the last position in a Championship or a Consolation, the horse with the highest OSS earnings for the current year will be the last starter. If the tie is not broken by earnings, the last starter shall be drawn by lot.

Two also-eligible horses may be drawn. The higher point winner shall be assigned also-eligible #1. If also-eligible horses tie in points, the horse with the higher OSS earnings for the current year would be also-eligible #1. If the tie is not broken by money earned, also-eligible #1 shall be drawn by lot. Also-eligible horses may move in if a scratch occurs prior to the designated scratch time at the track hosting the Championship or Consolation. Starters shall declare in at the usual time practiced at that track for overnight entries. All horses entered in a 2-year-old, or 3-year-old Championship shall be required to report to the detention area at the racetrack hosting the Championships at least six hours prior to the advertised post time of the race entered. Any horse late for detention shall be scratched by the judges.

Entry Fee for all 2- & 3-Year-Old Championships is \$1,000

Entry Fee for all 2-& 3-Year-Old Consolations is \$500

1. Entry Fee Nominations are not required. The entry fee for each Veteran Championship is \$500. Veteran Championships are for 4-year-olds and up, trotting horses or geldings, trotting mares, pacing horses or geldings and pacing mares. If six separate betting interests are not entered for any Veteran Championship, that Veteran Championship may be cancelled or combined as the host track Racing Secretary sees fit.

Any foal produced by embryo/ovum transplant shall be eligible when in compliance with the United States Trotting Association (USTA) Rule Number 26.24.

Eligibility of starters in each of the Veteran Championships are restricted to the eight (on a half-mile track) and nine (on a five-eighths mile track) leading money winners in races conducted at Ohio commercial tracks and Ohio fairs from January 1, 2022, and prior to the day before each respective race's draw, who have raced a minimum of five times in Ohio in 2022 will be given first preference. Leading money winners in races conducted at Ohio commercial tracks and Ohio fairs from January 1, 2022, and prior to the day before each respective race's draw, who have raced a minimum of four times in Ohio in 2022 will be given second preference. If the race doesn't fill after application of the second preference, the race may be re-opened to continue to add horses that have raced in Ohio for less than four starts. Horses with a higher number of Ohio starts will be in under this section with entry re-opened to fill the remainder of the field with lower preference eligible horses, except that all eligible horses that met the higher Ohio-preference condition and were declared into that race prior to and after the re-opening, shall automatically be drawn into the race. If two or more horses tied in earnings declare in under any preference in the Veteran Championships, the horse with the highest Ohio earnings for the current year will be a starter. If the tie is not broken by earnings when getting to the last entry, the final starter shall be drawn by lot. All horses' earnings will be verified by examination of the official records of the United States Trotting Association (USTA). Purse earnings in other jurisdictions do not count to a horse's Veteran Championship eligibility.

3. Requirements to Start At time of entry, a starter must show, within 45 days prior to the advertised day of the race, at least one performance line without a break and within the qualifying time requirements at the host track. An official workout before the Judges will not be acceptable.

4. Purses All entry fees will be added to each Veteran Championship. No funds for a Veteran Championship shall be allocated to or paid to a permit holder by the Ohio Standardbred Development Fund (OSDF) unless the permit holder adds at least twenty-five (25%) percent to the amount allocated by the OSDF to each Veteran Championship. Purse distribution for each Veteran Championship shall be: 50%, 25%, 12%, 8%, 5%.

5. Rules All Ohio Sires Stakes must be scheduled as betting races unless approved by the OSDF Commission. Unless otherwise specifically stated in the conditions, Ohio State Racing Commission Rules will govern. The interpretation of any of the conditions and settlement of any disputes that arise will be determined by the OSDF Commission in their sole and complete discretion in making a final decision. The Ohio State Racing Commission reserves the sole and exclusive right to modify, alter, amend and/or cancel any event in its entirety. Each Veteran Championship is a one-mile dash.

6. Starting If two or more horses tied in earnings declare in for the eighth position in any Veteran Championship, the eighth starter shall be drawn by lot. Two also-eligible horses may be drawn, and the same method used in the case of a tie. An also-eligible horse may move into a Veteran Championship if a scratch occurs prior to the designated scratch time at the host track. Starters in Veteran Championships shall declare in at the usual time for overnight entries practiced at the host track. Any horse scratched sick or lame from any purse race shall not race in a Veteran Championship unless seven days have passed from the date of the race from which the horse was scratched. If circumstances prevent racing any Veteran Championship at the scheduled track on its advertised date, the OSDF commission may reschedule the race on another date or another track, whenever possible.

In the case of a positive drug test, all appeals will have points deducted for a placing, unless the case has a final, unappealable decision prior to declaration.

- Should any participant in the Buckeye Stallion Series be notified of a positive drug test result in any Series Race, he/she must notify the Ohio Harness Horseman's Association upon receipt of the notice.

- If two or more horses tied in points declare in for the last position in the Buckeye Stallion Series Consolation or Final, the horse with the highest earnings in the Buckeye Stallion Series for the current year will be the last starter. If the tie is not broken by earnings, the last starter shall be drawn by lot.

- Two also-eligible horses may be drawn in the Buckeye Stallion Series Consolation or Final. The higher point winner shall be assigned also-eligible #1. If also-eligible horses tie in points, the horse with the higher Buckeye Stallion Series earnings, also-eligible #1 shall be drawn by lot. - Points accumulated by racing at any Ohio Fairs Stakes funded by the Ohio Fairs Fund through October 7, 2022
- Horses must race in a minimum of Four (4) Ohio Fairs Fund stakes and receive points to enter the Ohio Fairs Championship. The highest nine (on a five-eighths mile track) or highest eight (on a half-mile track) in point earning horses entered will be drawn to start in the Ohio Fairs Championship. If two or more horses tied in points declare in for the last position in any race, the horse with the highest earnings in the Ohio Fairs Fund stakes for the current year will be the last starter. If the tie is not broken by earnings, the last starter shall be drawn by lot.
- Two AE horses may be drawn. The higher point winner shall be assigned also-eligible #1. If any also-eligible horses tie in points, the horse with the higher Ohio Fairs Fund stakes earnings for the current year shall break the tie, any further ties shall be drawn by lot. Also-eligible horses may move in if a scratch occurs prior to the designated scratch time at the track hosting the Ohio Fairs Championship.
- Points to be awarded as follows: Win-51, Second-26, Third-13, Fourth-9, Fifth-6 and all remaining starters-1. In the event of a dead-heat, as with purse money division, horses shall receive the standard distribution of points for their order of finish. Points shall be awarded according to any placing of the judges and shall be used to determine which horses shall qualify for the Ohio Fairs Championship. Any pending appeal of a ruling issued by the judges shall not alter the placing determined by the judges. Participants with appeals yet to be decided at the time of declaration will have points deducted for the violation. In the case of a positive drug test, all appeals will have points deducted for a placing unless the case has a final, unappealable decision prior to declaration. Should any participant in any Ohio Fair Stake be notified of a positive drug test result in any Fair Stake Race, he/she must notify the Ohio Harness Horseman's Association upon receipt of the notice.
- Minimum of at least 6 betting interests to start in any of the Championships; declared horses split nomination monies if race doesn't meet minimum required

<i>2-year-old Pacers 2:07.0</i>	<i>3-year-old Pacers 2:02.0</i>

In the same year when the Ohio Sires Stakes Final is raced on a half-mile track, the eight horses with the highest point totals or entered in the Ohio Sires Stakes Final are not eligible to enter the Ohio Fairs Championship. When the Ohio Sires Stakes Final is raced on a five-eighths mile track, the nine horses with the highest point totals or entered in the Ohio Sires Stakes Final are not eligible to enter the Ohio Fairs Championship. If a horse is eligible by points and draws in to race in the Ohio Sires Stakes Championship or Ohio Sires Stakes Consolation, the horse is not eligible to race in the Ohio Fairs Championship. A horse scratched from the Ohio Sires Stakes Championship or Ohio Sires Stakes Consolation is not eligible to enter the Ohio Fairs Championship.
