

## 2023 Feature Race Grant Program

### Overview

The Feature Race Grant Program is designed to assist individual county fair race programs to increase the purse for a feature race or races. This could be an existing feature race or a feature race that the fair is considering. A feature race is a mainstay event, a race that would have a higher purse than the normal overnight events. This race should have a “story” element to it. For example, many races are named in memoriam of individuals or horses that have had an impact on racing in that county. A feature race should be newsworthy and can be used to promote fan attendance at the harness racing program.

### Guidelines

1. **Grant application must be submitted by the County Fair Board seeking the Grant.**
2. Condition restrictions must state that the race be Ohio Sired or Ohio Owned preferred.
3. Grant money can be used as a purse supplement only for the specific race applied for.
4. Grant money will be added to the base purse the fair already provides. Fairs must add their own funds to the base purse in an amount at least commensurate with a 1:5 ratio (minimum 20%).
5. Any entry or starting fees taken for a Feature Race supplemented by a Grant must go into the base purse in their entirety.
6. If requesting a grant for more than one race, submit a separate application for each race.
7. You may attach additional information if necessary.
8. Fairs must be OHHA Associate members to receive a Feature Race Grant.

### Application Deadline
